MEMORANDUM FOR ASSISTANT DIRECTOR, ORE

Subject: National Scientific Intelligence
Requirements Program

Ref (a) Memo to Assistant Director, ORE, on subject
matter with enclosures dated 9 April 1947

1. In response to enclosure (A) to reference (a) above, in which the military intelligence agencies were requested to appoint representatives of the scientific-technical intelligence functions of their respective agency, the following names were submitted:

ONI - Captain F. R. Duberg, USN

G-2 - Lt. Colonel William E. Boyd

A-2 - Colonel James F. Olive (Alternate:
Lt. Col. Jesse M. Barrett)

In addition the Air Forces, in view of the interest and responsibility of the Air Material Command in the subject field, requested that Colonel H. M. McCoy, Deputy Commanding General, Intelligence (T-2), Headquarters, Air Material Command, Wright Field, Dayton, Ohio, be designated as an additional Air Force representative. It is considered that this additional representative is desirable and appropriate. In view of the necessity for Colonel McCoy to come to Washington from Dayton, A-2 requested that they be advised as early as possible of anticipated meetings of the Committee.

2. In accordance with the agreed procedure of conducting this program within the present structure of CIG (Scientific Branch, ORE) and its relationship with the JRDB with those additional IAB agency representatives noted in paragraph 1, ORE is hereby instructed to proceed with subject program and to conduct such meetings as are considered necessary with the agency representatives and the JRDB.
